

Hark! Hark! The Lark Opens Tonight

Kramme, Moses To Play Joan In the Round

"The Lark" will be presented Wednesday, Thursday, and Friday, January 13, 14, and 15. Students are especially invited to attend the Wednesday performance at 8:00 p.m., according to Dr. Ralph E. Fulsom. "The Lark" is the first play to be staged in the new im-

proved theater on the first floor of the Administration building. New equipment for the little theater-in-the-round has been installed and is being used.

During the staging of the play, two stages will be in use, enabling the players to act from the back to the front of the theater.

The new costumes for "The Lark", a period play set in medieval France, are expected to greatly add to the effectiveness of the play.

Student Cars Banned at SIU

In the 1960-61 school year at Southern Illinois University, students driving cars, with a few exceptions, will be a thing of the past.

Officials said that this was necessitated by the pressing national problem: no space. A recent survey of eight major colleges and universities revealed 51,500 cars registered among 70,122 students. Parking spaces were available for only 28,769 cars.

Consequently, some universities and colleges are solving the problem by eliminating the car.

It is not only a college or university problem; it is a community problem in those towns and cities where student cars use expensive streets for off-campus parking and create traffic control difficulties.

Clark Davis, director of Student Affairs at SIU, says, "Let's face it." The car contributes nothing to sound scholarship. Gas consumption is a poor substitute for the midnight oil of the scholar. A university has more important responsibilities than to spin its wheels on motor vehicle problems." —From Capaha Arrow Dec. 10, 1959.

Tower Choir Tours Schools

Concert, TV Show Plans Revealed

The Tower Choir will present concerts of sacred and secular music in high schools of Northwest Missouri, January 25-27.

A concert at the First Christian church, Rosendale, will initiate the tour on Sunday, January 24.

Tentative performances of the group are pending at the high schools of Fillmore and Union Star on Monday, January 25. A performance on KFEQ-TV, at 12:20 p.m., has definitely been scheduled for January 25. The choir will spend the night at Excelsior Springs.

On Tuesday, January 26, concerts will be given in schools of the Excelsior Springs area. Pending further notice is a tentative radio broadcast on that day. Hotel reservations will be made for the group to remain in Kansas City overnight.

Following concerts at the Weston and Parkville schools, the choir will return to Maryville on Wednesday, January 27.

In conjunction with the annual tour, a one-day series of concerts will be given at the schools of Mound City, Craig, Forest City, and Oregon on January 12.

Present members of the Tower Choir are: Anne Alson, soprano; Helen Bahr, alto; Elender Barrett, alto; Kerolyn Bates, soprano; Marsha Crowell, alto; Karen Dotson, alto; Don Ellis, tenor; Marilyn Gillis, soprano; Susan Grube, alto; Carol Johnson, alto; Rodger Hitt, bass; Dixie LaMar, soprano; Mary McComb, alto; Karen McIntyre, alto; Martha Maris, alto; James Marley, bass; Ernest Mertz, tenor; Karen Miller, soprano; Marjorie Morgan, soprano; Delores Newman, soprano; Shirley Noelck, soprano; Paula Osburn, soprano; Don Petry, tenor; Joel Pottinger, bass; Robert Reck, tenor; Philip Richmond, tenor; Maurice Shier, tenor; William Schultz, bass; Luanne Timmerman, alto; Jewel Van Syoc, soprano; Galen Vogel, bass; David Walker, bass; Robert White, tenor; Carol Gulley, alto; Lea Triplett, bass; and Richard Barrett, bass.

Notice

ATTENTION: Veterans

PL No. 550 veterans who will be leaving school at the close of this semester should be sure to sign monthly certifications before leaving. All those returning for the second semester should sign February 1.

New Editor Needed

Peck Packs Portmanteau

Editorial positions on the Missourian are open for the second semester. There is also a need for some reporters.

Make application at the Missourian office before February 2.

Nick Peck, managing editor first semester, will attend the School of Journalism, University of Missouri, second semester.

22 Frosh Score Highest on Tests

Twenty-two students represented the top four percent of the entering Freshman class as indicated by the orientation tests.

These are: Michael Anderman, Shirley Asklof, Norma Barnes, Maurice Caskey, David Collins.

Marguerite Donaldson, Norman Edwards, Julia Elmore, Dixie Gomel, Julia Henry.

Linda Jones, Janice Leavell, Nancy Marley, Ronald McCumber, Linda Potter.

Carol Reents, Patrick Rowan, Richard Smith, Lucille Walter, Thomas Whitney, Dale Wilson, and Norma Wuester.

The tests, used at Northwest Missouri State as a basis for counseling and advisement, indicate ability and achievement. The results show a student's weaknesses and strong points, and help indicate his probable success in college.

These tests are given in many colleges over the United States and are part of the National College Freshman Testing Program of the Educational Testing Service. The scores are based on the national norms.

Fraternity Open To Journalists

The Missourian has been invited to join the Gamma Upsilon, a student publications fraternity. Membership would be open to editors of the Missourian or the Tower, to business managers of either, and to students who have worked at least two semesters on the staff of either publication. Faculty members who are or have been actively engaged in advising student publications are also eligible.

Those qualified who would be interested in organizing a local chapter are requested to leave their names with Miss Mayfield in the Missourian office any afternoon from three to five, before Feb. 1.

John Beaufort Visits Speech, Drama Depts.

John Beaufort, New York drama critic for the Christian Science Monitor, will spend the entire day of Monday, February 8, as the guest of the speech and drama department. Mr. Beaufort will be called upon to criticize and advise students in these departments.

Mr. Beaufort has filled the position as the Monitor's New York resident theatre and film reviewer since 1939. During 1958, he took a short leave of absence to head the Monitor's 50th Anniversary Bureau in Boston and to write the script for the Monitor documentary film, "Assignment: Mankind."

During Beaufort's time on Broadway he has written about the New York theatre for the Times of London and the Press Service of the United States Information Agency.

Spring Semester Registration to Start Jan. 27-28

Registration for the second semester will take place Wednesday and Thursday, January 27 and 28. Registration permits and materials are now available in the registrar's office.

On Registration day, before going to the library to consult with advisors, students are asked to pick up their advisement sheets from the file outside the Registrar's office.

A complete list of courses requiring permits has been printed along with a list of the schedule changes. Students should take note of these bulletins when planning schedules in advance.

All seniors planning to graduate in May must file an application for a degree in the Registrar's office before the close of this semester.

Former MSC Student Authors Three Books

Mrs. Mary Francis Shura, former student at Northwest Missouri State College, from 1941-'43, has sold short stories to four church magazines and was notified that her third book for children has been accepted by Knopf. This means that each spring for the next three years one of Mrs. Shura's books will appear on Knopf's list.

Already in type is "Simple Spiggott" for release next spring. Set for 1961 is "A Mouse for Miss Katie's Cupboard." The third is not yet definitely titled.

Over Worked, Men?

Seven Ways to Woo a Woman

"Women may not be much," said Will Rogers, "but they're the best opposite sex we have."

Unfortunately, men, they know it. Your job: Make 'em feel special. All it takes is showmanship, and there are seven winning ways.

1. Say the right thing. Telling her she's beautiful isn't always the right approach. An 18th century connoisseur, Lord Chesterfield, in a letter to his son, pointed out that the "starry eyes, pearly teeth" gambit won't work on girls who are pretty or homely in the extreme. The real beauty knows how she looks, said Chesterfield, and the homely one will know that you're lying. Both should be complimented on their intellect.

2. Know who to woo. There's another classic concept: "Pretty single girls know you're interested, homely single ones imagine that you are, and wives—pretty or not—are never completely sure. So don't worry about paying attention until after you're married; then, 'steal' admiring glances at her when she knows you're looking."

3. Advertise your aching heart. Get crowds of people to tell the gal how deeply you adore her. Have her hear about your love at meals, at work, on the bus. How? Easy! Just tell one girl who is known for blabbing!

4. Use dollars and sense. The dollars are yours—use them, at unexpected times, to buy her inexpensive gifts for no reason at all. The sense is hers—her sense of song—use it by dubbing a tune "our" song." Music not only soothes the savage beast, but wisely used may get you a home cooked feast.

5. Put words in her mouth. To you, it's expensive cake and coffee. To her, it's a visit to a smart restaurant she can brag about to all her girl friends. If you ask her to hold the restaurant pack of matches for you—then forget to ask her for them—she'll have heavenly proof of her "meal" (she wasn't hungry for anything else) at the posh eatery.

6. Be scent-sational. Anoint thy head: not just the top, but the front part, too. It may make her lose her head. When Mark Anthony called on Cleo, his hair was perfumed with marjoram, his arms with mint, his jaws with palm oil, his neck with ground ivy essence. Result: one of history's spiciest love affairs. Napoleon, in wooing Josephine, doused his head in cologne.

7. Woo with a "wow". Be excited at everything about her—and surprised at nothing.

They're Talking About . . .

Heavy eyelids—Finals (of course)—midnight oil—snow drifts—the new den—All the heavy left hands—Second Semester—The Bearcat's victories—The nomads in Freshman Hall—Norm's left-over Santa's suit—The 24th day—The kind of music on the den music maker—76 trombones—hazing—a new frat and new sorority—hazing—"Don't call him professor"—the drape shape in crape.

Students Approve Assembly Program

This week the Missourian's inquiring reporter asked the question, "What type of assembly program would you like to see come to our campus?"

Nancy Young, senior, Quitman, Missouri: "A concert given by a big name band would be enjoyable."

J. R. Wells, sophomore, Mount Ayr, Iowa: "I like programs of the Bennett Cerf type; also educational ones such as the Eleanor Roosevelt assembly."

Barbara Burgess, junior, Smithville, Missouri: "I think it should be supplementary to education, but entertaining as well."

Judy Alford, freshman, Corn- ing, Iowa: "A variety of programs should be presented; both educational and entertaining."

Norman Edwards, freshman, Des Moines, Iowa: "I would like to see good musical artists, such as the Four Freshmen and perhaps a string quartet for variety."

Sauny English, freshman, Maryville, Missouri: "The manner in which the assembly programs have been presented has proven satisfactory, I think."

Bill Price, senior, Princeton, Missouri: "I think it would be nice to have the philharmonic symphony orchestra."

Nita Provin, sophomore, Ridgeway, Missouri: "I would like to see someone humorous; full of vim, vigor and vitality, such as Red Skelton."

Harr Urges Students to Ask for Scholarships

Two types of academic merit scholarships are offered by Northwest Missouri State College states Dr. John L. Harr, chairman of the scholarship committee.

The Board of Regents Merit Scholarship is given to students of superior ability who also have a financial need. In general these scholarships, good for one semester, are awarded to incoming freshmen.

Radio Club Gets Gift

The Radio Club at NWMSU has been included in the Western Electric college gift program, according to Carl F. Cramer, president of the local club. This furnishes a new source of acquiring equipment to be used by the organization. Under this program, Western Electric sends equipment that the club orders free of charge.

One of the Radio Club's licensed operators, Kent Lawrence, has recently advanced from novice operator to general class operator, having received his general class license after passing government examinations. This license will permit him to operate the ham radio station, KOUDL. Two other club members, Ardel Brink and Leroy Ostrus, are awaiting their novice permits, which allows them to handle code.

SCA Holds Meeting

A meeting of the Student Christian Association, the first of the new year, was held Thursday, January 7, in the Student Union Chapel.

Devotional singing was led by Karen Miller, chorister, Ronn King at the organ. The topic for the evening was "The Current Crisis." A discussion, led by Eugene Watson, was held on this subject.

Lu Jane Tayler, president of SCA, presided at the meeting.

Students Use Books?

Students used more books than ever before over this Christmas Vacation, according to Mr. James Johnson, librarian.

Mr. Johnson said there were approximately 2,300 books checked out for the two weeks. This is the largest amount of books that have been checked out at any one time.

The Third Annual NODUET (Nodaway) Debate Tournament will be held at Northwest Missouri State College on Friday and Saturday, January 29, and 30.

The tournament is to be expanded this year to include two days by offering participation in individual events as well as in debate.

Competition in debate will be in two Divisions, as in last year's event, one for debaters with intercollegiate experience and one for those in their first year of intercollegiate competition.

Ten colleges and universities have indicated an interest in attending this tournament.

Larry Brown, David Hansen, David Hargrave, Richard Borgmesser, and James Bybee will attend the Blizzard Debate Tournament Saturday, January 16, at William Jewell College, Liberty.

On January 8 and 9, Larry Brown, David Hansen, David Hargrave, Richard Borgmesser, and James Bybee attended the 28th Annual Illinois State Normal University Forensics Tournament.

Debate, Discussion, and Extemporaneous Speaking were the events entered by the students from Maryville.

Bearcats Blow MIAA Game With Rolla

Although the visiting Northwest State Bearcats outscored the Rolla Miners 21-19 from the field, they were cold at the foul line and lost a double-overtime MIAA basketball session, 53-54, to the Miners, once defeated 86-56 this season by the Bearcats.

The loss was a chilling blow to the Bearcats, who now are 1-2 in league play. They previously had lost to Kirksville and just Friday night had scored a 39-38 victory over Cape Girardeau.

It was the shooting of Jim Lemon and John Sturm that sparked the Miners play. Lemon hit 20 points on nine baskets and 2 of 2 free throws, while Sturm, who was held to three points in his first go against the Bearcats this season, hit six baskets and 5 of 10 from the charity line.

But it remained for Larry Martin to score the last two points on a pair of free throws which made it 54-51. The Miners let Maryville score unmolested in the closing seconds.

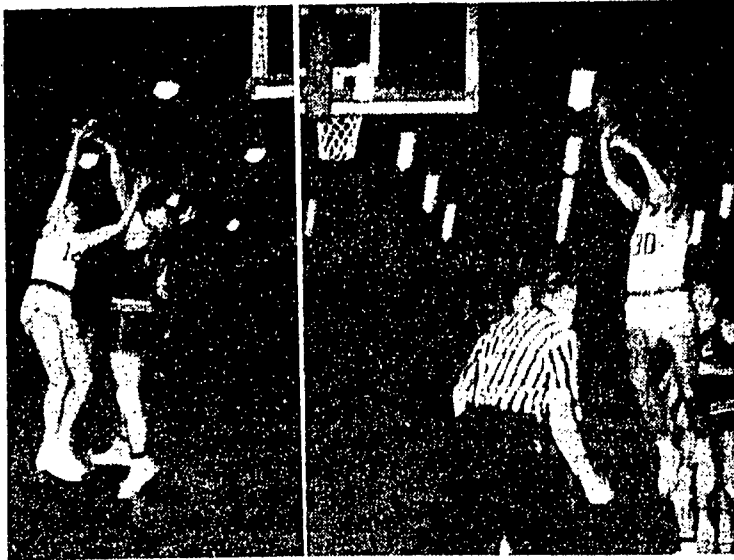

Maryville, now 1-2 in conference play and 9-3 in all games, rallied from a 35-29 halftime deficit to tie it 49-49 at the end of regulation play. Neither club scored in the first overtime.

Gene Jordan led the losers with 24 points. The Miners now stand 1-1 in the conference and 5-7 overall.

The Bearcats' next game will be Saturday night against Warrensburg in the new Maryville gym. A special program for dedication is being planned.

The Bearcats were hotter shooters and had better overall rebounding than the Miners, according to play charts. Maryville hit for 43 per cent from the floor, 11 of 21 in the first half and 10 of 23 in the second. Rolla shot for 37 per cent, 13 of 27 in the first half and 7 of 28 in the second.

Maryville outrebounded the Miners, 29-23, with Jerry Meznarich getting 11 and Leland Jackson getting 7. The Miners had 9 offensive rebounds and 13 defensive, while the Bearcats had four offensive and 25 defensive caroms.

Bearcats Dump Pittsburgh State

The Northwest Missouri State Bearcats proved to be too much for undefeated Pittsburgh State College as they won by a score of 67-55.

Gene Jordan, the Bearcats leading scorer who went into the game with a 22.67 point average, was high pointer for the game with 27 points. The Gorilla's Fred Harder had 18. Meznarich and Goff each had 10 for the 'Cats.

The lead see-sawed back and forth several times before the Bearcats gained the lead and cooled the game in the final 10 minutes. Jordan knotted the count at 52-all with 7 minutes remaining in the game.

Cagers Capture Third

In the MIAA tournament the Bearcat Cagers gave a very good account of themselves, bringing home third place trophy.

Going into the tournament the Bearcats were seeded second; the Bulldogs from Kirks-

ville were rated higher because of their previous 66-56 victory over the Bearcats. Rolla was seeded third.

NWMS Leads By 8-2 Record

After ten games the Northwest Missouri State Bearcats have the best won-lost record in the MIAA, 8-2. Besides winning 80 percent of their games the Cats also rank first in the league in the best offense and defense.

The Bearcats at the end of ten games have scored 642 points while allowing their opponents 531. This averages out at a 64 point offense by the Cats and 53 points by their opponents.

Gene Jordan has been one of the main reasons for the Cats fine record this year due to his amazing shooting and rebounding ability.

After his tremendous 27 point performance in the Pittsburgh game, he has a 23.10 average which is quite good enough to make him high scorer in the conference.

After the first ten games Jordan has made 76 field goals and 79 free-throws. If Gene keeps up this fine performance, there is little doubt about his finishing in the Little All-American!

Matmen Swamp Cardinals, 31-3

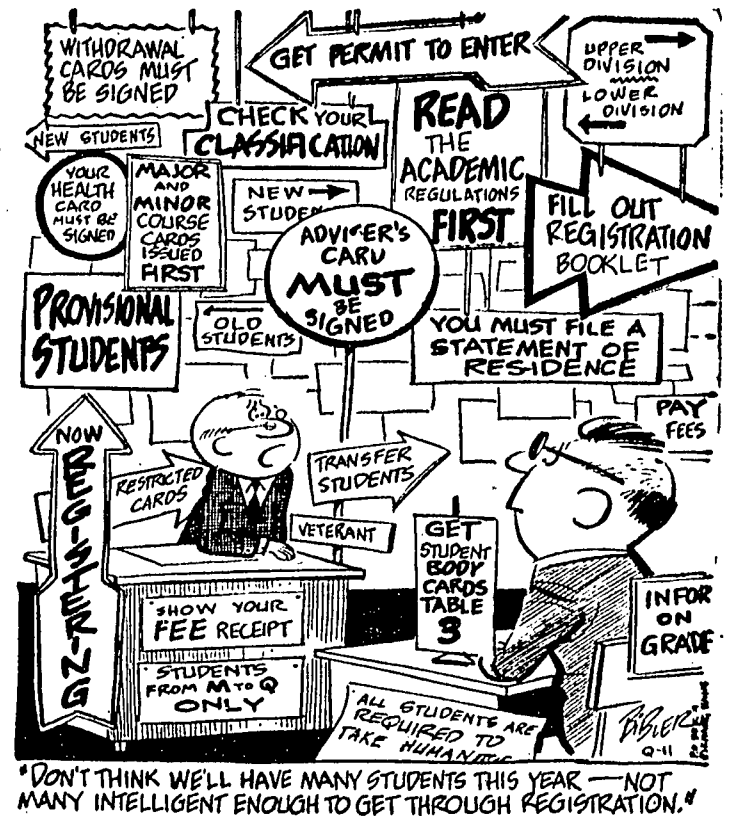

On December 15, the MSC Matmen swamped the William Jewel Cardinals 31-3 at Liberty. The win was the second in three dual matches for the Bearcats, and the Cats took all but one of the eight matches gaining four by pins.

Leading the Matmen to victory was heavyweight Doyle Thomas, who chalked up his twenty-third College wrestling win, by pinning Ben Resselhoff in 2:20.

The other three pins were made by Tom Green at 123 pounds; Ralph Meserli, and Bill Waugh, 177 (Waugh wrestled at 177 while weighing only 162).

The MSC Matmen will take on the University of Illinois on February 22, here.

Swim Team Opens First Home Meet

The first home meet of the NWMSC Swim team will be under way, Thursday, January 14, in the school swimming pool. The swim team will compete in their second meet of the year against the Nebraska University team at 4:00 tomorrow afternoon.

Coach Bensusan's team will be competing against the more experienced Big Eight team of Coach Klass a former NWMSC graduate.

In a meet against Wentworth December 10, the Maryville team felt their lack of experience but now with more depth has hopes of better showings in the three meets scheduled in the future according to Bensusan.

Mr. Richard Hessler is in charge of the meet. Charles McCoy, manager, also competes in the free style events. Co-Captains for the team are

Robert McCoy and Larry Karsten. There will be competition in 11 events.

Cats Host Clinic

Saturday, January 9, NWMSC hosted a one-day wrestling clinic for administrators, teachers, coaches, and students.

After registration at 10:30 A.M. a question and answer session was held on how to start wrestling in schools. After lunch, lectures and demonstrations were given.

That evening at six, a high school wrestling match was held between St. Joseph (Lafayette) and Corning, Iowa.
